## Seconds

## Elections:

Applications to run for the Spring Election are due Monday, March 17th at 4 p.m. This is the Monday after Spring Break. Don't forget to fill one out if you are hoping to return in the Fall.

Also, please take at least five applications with you today and hand them out to your friends and classmates who are interested or those who you think would be an asset to the Senate.

This date will be VERY easy to forget so you may want to encourage people to get them in by the end of this week!

Super Soap says, "Get excited about CAMPUS CLEANUP!"

## SGA Week:

SGA Week is well on its way. The committees are working hard on smoothing out the details. It is never too early to start taking it up! The PR committee has been working on some PR efforts and will need everyone's help to implement them!

## Plus/Minus:

Johnathon will be handing out a survey for your professors about their opinions on plus/minus grading. This is a quick survey to gather your professors knowledge on the issue, and where they stand. Please try to have some, if not all, turned into Johnathon!

## Bulletin Board:

The office associates are working on a new design for the bulletin board. This is going to be a great outlet to let the students know who we are and what we are doing. One of the sections is going to be dedicated to introducing those running for a higher office. If you are considering running or know anybody who is going to run, you can submit a picture and bio for the associates to display on the board.

Block Party is fun for everyone but squares!
